2. **[PappaPC Computer Home Business](#)** This is a home business that works for those that have some computer experience. What you do is remove spyware and viruses from customer computers in their home. We have found that the demand for this service is very strong. You could be so busy that you need to hire some help. The simple Pappa malware cleaning method is used by a major electronics chain store and hundreds of professional techs. You charge up to \$100 per hour for this service. This is half the rate the superstores charge. Start-up cost is almost nothing as you use free software and shareware.

3. **[Apple Patch Diet Business](#)** So many Americans are fat! The europeans are not all skinny either. Within 10 minutes you can start making money in the \$100 billion dollar diet Industry right from your home computer, with the hottest selling diet patch in the USA! They are so confident you will make money, they put \$25 into your account when you start. Ordinary people with very little internet and computer experience, are earning money working from home with this ground floor opportunity. Great home business! \$6,000 per month income for those that work hard.

4. **[Buy and Sell Used Cars](#)** This is not a car lot. You sell from home! Do you have room for one or two cars? Sell only 5 cars and earn up to \$10,000 per month! This is such a fun job! If you love cars, this is the job for you! This could be the ultimate part time business! Buy low and sell high. Buying and selling cars for profit is a legitimate and viable way to make really good money. My guide shows you how to find the best deals and where to advertise. This is a recession proof business. The lower priced used cars sell like crazy during a slow economy. If you know how to fix-up old junkers, you can make even more money! Check out this site. Top home business.

5. **[Medical Transport Business](#)** Do you want a piece of the trillion dollar healthcare industry, but don't want to go to college for 8 years? This is it. You can make more money than the doctors or RNs just by transporting patients, the elderly, and disabled. If you have a drivers license and a car or van, you can do it. This business is recession proof, plus the baby boomers are coming of age. Demand for non-emergency patient transportation could double in the next 10 years. You can expect very high earnings for this service. Their website does have that "make a million dollars" hype to it. I guess it could be true if you hire others to work for you and turn it into a mega business. Good home business.

6. **[Starting A Cleaning Business](#)** You may never get rich, but you will make good money. The start-up cost is very little. With the nature of this business, your competitors will screw up...then the customers will call you. The big janitorial cleaning companies charge high fees. You can undercut them and still make

\$50 per hour! This is a complete business package to help you quickly start your own profitable home based cleaning business. Husband & wife teams can really rake in the money! You can also check out this guide for [cleaning offices](#). Great for night owls! Good home business.

7. **[Daycare Business](#)** This is not babysitting! The going daycare rates for kids over 1 year old is \$150 per week. With the maximum 10 children per teacher ratio = \$6,000 per month. Now if you hire a helper for \$8 per hour, you can have 20 kids and make over \$10,000 per month! There are more kids needing daycare than space available! If a parent wants to put their child in daycare, they must put their name on a waiting list. Now if you want to teach the children good manners, how to read, and do math, you add even more value to your business. Making it a pre-K school can demand up to \$200 per child! I would have given it 5 stars if it wasn't for the screaming and potty training. Simple high demand home business. Also see [How To Start A Daycare](#) and [Daycare Manager](#).

8. **[Freelance Digital Photo Business](#)** If you own a digital camera, you can get started. It doesn't even have to be a high quality camera.
